Taste Åland!

The fresh flavours of the clean archipelago and the lush seaside meadows add their special taste to milk, cheese and butter produced on Åland.

The Åland dairy factory ÅCA produces ten different types of cheeses with feeling and taste.

Cheeses are sold in the local grocery stores. Enjoy!

A warm welcome back!

It is a great pleasure to welcome all badminton players, officials and spectators to the NatWest Island Games XIII in Åland. It has been four years ago since the badminton medal battles last took place, which will make the outcome even more interesting and exciting. Some faces will be sadly missed, but new friendships will be made. This week will be full of high quality badminton, good fun and great atmosphere – in true Fun 'n' Games spirit.

We hope that everybody involved will experience great Games during the competition week.

On behalf of my organising committee and myself I wish you all good luck.

Let the Games begin!
