WELCOME

It is with great pleasure that we once again welcome the golf tournament to Ålands Golf Club bearing in mind that it was here in 1991 that golf was first introduced as a Games sport. It is interesting to note that competition rules that were presented in 1991 are in the main still used today.

In 1991 the competition was played on the Slottsbanan course but since then we have built an additional 18-hole course, the Kungsbanan. The courses vary in character and both will be used during this year's Games.

Ålands Golf Club is one of the most popular in Scandinavia. With around 25,000 golf-tourists every year and 1,300 members an average of about 10,000 rounds are played every month!

Ålands Golf Club has a vast experience in arranging golf competitions and I am sure that we will be able to offer a well organised tournament on two high quality courses.

I wish to thank all the members and sponsors involved in arranging the competition and wish all the competitors – Good luck!

Kjell Hansson
Club Manager

Taste Åland!

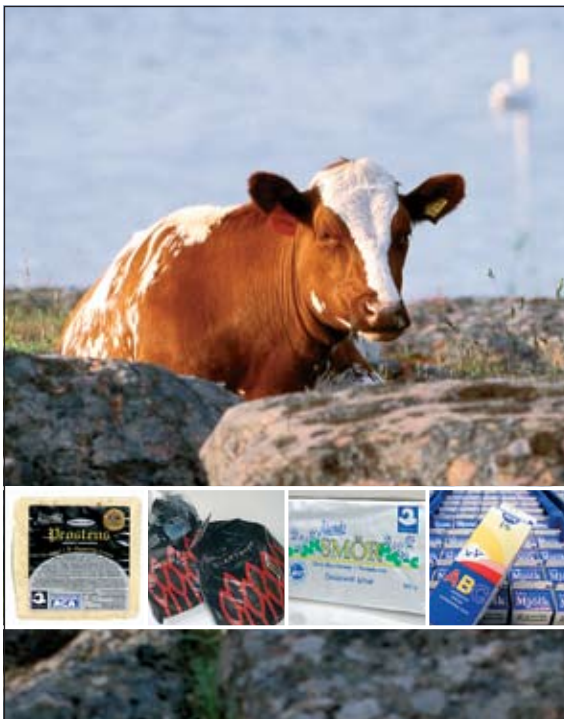

The fresh flavours of the clean archipelago and the lush seaside meadows add their special taste to milk, cheese and butter produced on Åland.

The Åland dairy factory ÅCA produces ten different types of cheeses with feeling and taste.

Cheeses are sold in the local grocery stores. Enjoy!
