WELCOME LET'S GET STARTED!

At last after 2 years of planning and hard work we are able to arrange a NatWest Island Games which we hope will exceed everyone's expectations. Personally as judo co-ordinator it has been an experience with many challenges but thanks to the support and creativity of the people around me I feel that we are more than ready for 3 days of exciting competition..

The judo club members have given invaluable support not only through muscle power but by drawing on their vast experience of organising and competing in different competitions. This has been a great incentive for me and I am proud to be associated with an organisation which is developing and expanding.

Financing has been a major issue during the last year and without sponsors who have given their support it would not have been possible to organise such a large scale event. A big thanks to you all!

Time is a precious commodity and the hours seem to fly by so quickly that it is more or less impossible on a personal level to do everything that has to be done. With this in mind it is fantastic to think that over 1000 volunteers will be working for 9 intensive days to ensure that the NatWest Island Games machinery runs smoothly. I hope that even with their large work load the officials will have the chance to enjoy a fun week.

Finally I hope that all competitors and supporters will take the opportunity to visit the many different sports, see as much of our island as possible and return home with warm memories and many new friends.

Taste Åland!

The fresh flavours of the clean archipelago and the lush seaside meadows add their special taste to milk, cheese and butter produced on Åland.

The Åland dairy factory ÅCA produces ten different types of cheeses with feeling and taste.

Cheeses are sold in the local grocery stores. Enjoy!
