## WELCOME SAILOR FRIENDS

Åland Yacht Club (Åländska Segelsällskapet) and Mariehamn Yacht Club (Mariehamns Seglarförening) are proud to welcome all the competitors in the sailing and windsurfing event of the NatWest Island Games XIII 2009 and we hope it will be the highlight of the 2009 season. We will do our very best to make the competition fair and fun.

We also hope that spectators will enjoy the racing and feel the excitement. The sailing area will be close to the shore at Mariebad in the Eastern Harbour Bay. The wind conditions can be quite tricky and we are looking forward to close and exiting spectator-friendly racing. Take the opportunity to follow the races from the stands at Mariebad!

With the help from over 50 enthusiastic volunteers, I believe we can look forward to a regatta worth remembering.

Welcome to the Åland Islands!

## Taste Åland!

The fresh flavours of the clean archipelago and the lush seaside meadows add their special taste to milk, cheese and butter produced on Åland.

The Åland dairy factory ÅCA produces ten different types of cheeses with feeling and taste.

Cheeses are sold in the local grocery stores. Enjoy!

## ALOHA!

Unfortunately unlike the Hawaiians we do not have our own special word of welcome on Åland but with two years elapsing since we last met on Rhodes its fun for me to welcome you here and meet you all again

Although windsurfing is not a major sport on Åland and the season is hampered by the frozen sea in winter, the local windsurfers are a dedicated and enthusiastic group.

As our wind conditions will be different from the last two Games choosing a suitable type of board was relatively easy and on your behalf we have chosen a pure Raceboard.

So get ready to get wet and remember these are the Friendly Games!
