A warm welcome TO YOU ALL

It is a great pleasure for me to welcome you all to Bredmo Shooting Range. With competitors from 22 islands I am sure that we will have an intensive and exciting week ahead and many competitors will have the opportunity to rekindle old friendships and make new friends. Shooting caters for young and old alike and because of this shooters have the chance to compete in many Games.

Preparations for this years NatWest Island Games have been going on for some time and more or less all the facilities have been renovated and a new 25 m pistol range has been built.

The Åland Sport Shooting Club hopes that you will all enjoy your week with us and that you will reach your goals and enjoy good results.

Last but not least I would like to thank all our sponsors and volunteers who have supported the competition. Without you it just wouldn't have worked!

Let's have 'Fun and Games'

Kristina Nordlund
Shooting Co-ordinator

Taste Åland!

The fresh flavours of the clean archipelago and the lush seaside meadows add their special taste to milk, cheese and butter produced on Åland.

The Åland dairy factory ÅCA produces ten different types of cheeses with feeling and taste.

Cheeses are sold in the local grocery stores. Enjoy!
