

# SHOOTING

## Venue: Bredmo, Lemland

All the shooting disciplines will be held at the Bredmo shooting range, which is situated about 25 minutes by car from Mariehamn. This is Åland's main shooting range and the facilities are already being updated to host the events in 2009. There are two skeet ranges, a trap range and a sporting range. A new indoor range for air pistol and air rifle was opened in 2004. For pistol events there is a combined 25 and 50 metres outdoor range and a 10 metre indoor range for air pistol. A new 25 metres pistol range will be built for use in 2009. There is a 50 meters smallbore outdoor range and a 10 metres indoor range for air rifle.

The distance from Mariehamn is approx. 20 minutes by car.
